

MEMBERSHIP FEES: AGM 2021 PROPOSAL

THE COMMITTEE PROPOSES THAT THE FEES REMAIN THE SAME AS THE FEES AGREED AT THE 2020/2021 AGM. However, we propose to continue to apply a 25% reduction to the 2019/20 fees during lockdown. See further comments below.

The table below highlights indicative amounts to be paid monthly for membership categories.

- A) Fees agreed at 2020/2021 AGM following a freeze in membership fees for 3 years
- B) We propose to keep fees for 2021/22 the same as the 2020/21 fees but continue to charge at the 2019/20 rates. The intention is to review this when either TRUT confirm their fee status or when Covid restrictions are lifted. The committee agreed to also show fees as a % of a full paying adult member.
- C) Following the onset of Covid and consequent restriction to the boat house and facilities, the committee agreed we would continue to charge 2019/20 fees.
- D) During lockdown members voted and agreed to a 25% reduction for all membership categories.
Note: This is not applied to racking fees.
