TEES ROWING CLUB – EVENT PARKING

IMPORTANT INSTRUCTIONS AND DIRECTIONS FOR PARKING – PLEASE READ

Tees Rowing Club events are held at: River Tees Watersports Centre (RTWC), The Slipway, North Shore, Stockton-on-Tees, TS18 2NL. Please note that there is **no** parking at the RTWC/Tees Rowing club on the day of the event.

There are several car parks available for athletes and spectators, all provided on a first come, first served basis. Please refer to the instructions below and the attached maps for directions.

Please note that if approaching RTWC from the west, there are currently lane closures on the Riverside A1305.

Trailers – Trailer drivers must follow the specific instructions below.

Trailer parks:

There are two trailer parks which will be **allocated ahead of the event**. Both trailer parks have river access. Marshals will be in attendance to assist with parking and boating – please follow their instructions.

Locations of the two trailer parks are as follows; directions are shown on the attached maps.

1) River Tees Watersports Centre, The Slipway, North Shore Rd, Stockton-on-Tees, TS18 2NL.
    a. Trailer drivers should head directly to the RTWC on arrival if they are allocated spaces here. Once trailers are in place, all towing vehicles must be moved to one of the visitor's car parks.

2) Riverside Car Park, Riverside, Stockton-on-Tees TS18 1TE.
    a. To manage the flow of trailers on arrival and reduce the effect on other road users, the council require that all trailers with allocated spaces at Riverside car park **must head to the holding zone on arrival, and not directly to the Riverside Car Park**.
    b. The holding zone is in the lay-by off the Council of Europe Blvd, a very short distance from the Riverside car park (map attached). Marshals will be in attendance and trailers will be released systematically and sent directly to the Riverside Car Park. This system should not cause delays and will make setting up on arrival a safer and more efficient process.

Car parks are provided on a first come, first served basis and are all a short walk to the club. These car parks must not be used for trailer parking. There are also several pay and display car parks close to RTWC.
